

Dear Parents,

I would like to welcome you to the Holy Trinity School Web site. At Holy Trinity School our faculty and staff are dedicated to an education that teaches the whole child, as stated in our mission statement;

*Holy Trinity strives to educate each child entrusted to its care in an environment, which has Jesus and His teachings as its center. In order to provide a quality Catholic education, we strive to teach the child as a whole person - morally, spiritually, physically, socially, aesthetically, emotionally, as well as scholastically. A strong religious and instructional program is, therefore, in place.*

Each child is a gift to us, and completes our school, the same way that each teacher is a gift and completes our school. We have many people from the parish who also bring great “gifts” to our school by donating their time in the lunchroom, in knitting club, in quilting club as well as reading with children in the Library. It takes a community to raise a child, and Holy Trinity Parish is a wonderful community.

I invite you to browse our web site, visit our teachers’ “Teacher Web” and become familiar with our school community. Please contact us if you have any questions and to schedule a tour of our school.

Sincerely in Christ,

Mrs. Heidi Reale
