

Welcome to Holy Trinity School!

For over fifty years, Holy Trinity School has been a strong Christ centered presence in Poughkeepsie and Dutchess County. The rich legacy of Holy Trinity alumni has been a blessing for our families, our community and our parish. Students excel at Holy Trinity School because the lessons our dedicated faculty pass on are infused with a love for God, others and self.

At Holy Trinity, we believe that there is one answer that will prepare our students to meet the challenges of the modern world in a productive and realistic way – God’s Love. This message is conveyed by the respect we have for everyone who walks through our doors. We believe every human being is created in the image and likeness of God and we foster this respect by the way we instruct our students, interact with our families, and live out the responsibilities we have been entrusted with.

We hope that you will find at Holy Trinity School a fine compliment to the hard work you invest into your children at home, and that you find in our school family a place of love and support for many years to come.

Blessings and peace,

Fr. Robert
