

Scrip Fundraising Has Arrived!

Dear Holy Trinity Families:

A new and exciting fundraising program called 'scrip' is available at Holy Trinity. Now you can raise money without buying unwanted items, without selling door-to-door, and **with no extra cost to you**. Supporting our organization has never been easier!

How It Works

Scrip refers to gift certificates or gift cards. Our school is able to purchase gift cards from hundreds of retailers nationwide at a discount, which you can then buy at face value. The difference is our profit. These are the same gift cards that you would purchase if you went to the retailer directly. By purchasing these gift cards before you shop for your everyday items - like groceries, gas, clothes, and restaurants – we raise money, without you having to spend a penny extra. It's just that simple.

Help Us Reach Our Goal

Our goals this year are two-fold: to help you reduce the cost of your tuition, and to raise money toward our HSA fundraising requirement.

With scrip, our goal is to raise \$12,000 in the next year. With an average profit return of 5%, if your family buys \$200 worth of gift cards per month you would raise \$120. If just 100 families can do this, we would meet our goal.

Immediate families who participate in the SCRIP program will, in turn be rewarded. Your participation in the SCRIP program allows you to apply a small percentage (5%) of your families rebate profit toward your tuition bill in the following school year.

SCRIP may be purchased four ways

1. Complete the SCRIP weekly Family Order Form.

Bring the form and your check, made out to "Holy Trinity School" to school office on or before Tuesdays by 10 am. (Your orders may be sent to school with your child. However, we are unable to process orders received after 10 am for that week but can be applied to the following week's orders.)

2. Place your order online at www.shopwithscrip.com .

You may pay using "PrestoPay" (direct debit from your bank account) or bring a check to any office by 10 am on Tuesdays. Setting up "PrestoPay" takes just a few minutes and requires entering your bank routing number and account number. The entire process to set up your account takes one to three days.
